

## **Clinician Process for Ordering PleurX Supplies**

The process for ordering PleurX supplies:

Bottles, caps and dressing kits depends on the insurance involved.

### **MEDICARE AND PPS INSURANCES:**

Contact your manager to order Bottles and caps, give them the patient name and the quantity needed. They will obtain these items from our Facilities department. Clinician to call Byram and order dressing supplies for each change. The items you need to order are:

- PolyMem Pre-cut Foam 3.5x3.5 dressing #5335
- 1 6x8 Tegaderm
- 3 sterile 4x4s
- Alcohol pads
- Sterile gloves

### **Private Insurances:**

Call Byram directly (or any approved Vendor)

Order the complete drainage kits for each change. The drainage kit includes the bottle, cap and dressing kit.
