

Medicines Recommended for Disposal by Flushing

Listed by Medicine and Active Ingredient

There is a small number of medicines that may be especially harmful and, in some cases, fatal with just one dose if they are used by someone other than the person for whom the medicine was prescribed. This list from FDA tells you what expired, unwanted, or unused medicines you should flush down the sink or toilet to help prevent danger to **people and pets in the home**.

<i>Medicine</i>	<i>Active Ingredient</i>
Abstral (PDF - 1M) , tablets (sublingual)	Fentanyl
