

Achieving Excellence in Consulting & Coding

Questions & Answers from March 19, 2014

Session 2

Q1: 1. On slide 36 test your knowledge -You stated verbally, in determining date assessment was completed, SOC would be day 1, but isn't SOC considered day 0, therefore the completion date would be 3/6 not 3/5.

We have 5 calendar days to complete the admission/start of care assessment.

What date do we list on OASIS for M0090 - Date Assessment Completed March 1st when information is gathered on day 1, 3 and 5?

A1: You are correct. SOC is always day zero. The completion date is 3/6.
